#### In our opinion:

- b. the accompanying financial report gives a true and fair view of:
  - the service performance for the year then ended
  - the financial position of International Needs New Zealand Humanitarian Aid Trust as at 31 December
     2023 and of its financial performance, and cash flows for the year then ended

in accordance with Public Benefit Entity International Public Sector Accounting Standards Reduced Disclosure Regime (IPSAS RDR).

# **Basis for Opinion**

We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the financial report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and the audit of the statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised).

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial report section of our report. We are independent of the entity in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards)* (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. # **Responsibilities of the Trustees**

The Trustees are responsible on behalf of the entity for:

- a. Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance.
- b. the preparation of a financial report on behalf of the entity that gives a true and fair view, which comprises:
  - the statement of service performance
  - the statement of comprehensive revenue and expense, statement of financial position, statement of cash flows, statement of accounting policies and notes to the financial report
  - in accordance with Public Benefit Entity International Public Sector Accounting Standards Reduced Disclosure Regime (IPSAS RDR) issued by the New Zealand Accounting Standards Board, and
- c. for such internal control as the Trustees determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Trustees are responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

# **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report is as a whole free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Obtain an understanding of the process applied by the entity to select what and how to report its service performance
- Evaluate whether the service performance criteria are suitable so as to result in service performance information that is in accordance with the applicable financial reporting framework.

- Conclude on the appropriateness of the use of the going concern basis of accounting by the Board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements and service
  performance information, including the disclosures, and whether the financial statements and service
  performance information represent the underlying transactions and events in a manner that achieves fair
  presentation.

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This description forms part of our independent auditor's report.

The engagement director on the audit resulting in this independent auditor's report is Richard Dey.

### **Restriction on Distribution and Use**

This report is made solely to the entity's trustees, as a body. Our audit work has been undertaken so that we might state to the trustees those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the entity and the trustees, as a body, for our audit work, for this report or for the opinions we have formed.
